TERMS OF SALE

THESE ARE THE UNIFORM TRADE TERMS OF
THE AMERICAN ASSOCIATION OF
NURSERYMEN

All bills payable net sixty days from date of invoice
with discount 2% ten days, 1% thirty days.

For cash in advance a 3% cash discount is allowed.

SPECIMEN PLANTS. Specimen plants, selected by
the customer or by his representative, will be priced
according to their individual values.

CAUTION. We accept all orders upon condition
that they shall be void should injury befall stock from
frost, fire, hail storms or other causes over which we
have no control.

PLEASE READ CAREFULLY

GRADES. We grade carefully by standards of
American Association of Nurserymen; in some cases
by caliper; in others by height. When graded by both
caliper and height, the caliper must govern.

CLAIMS. No claims for rejections or deficiencies
will be entertained unless made within ten days after
arrival of goods.

TRUCK DELIVERY. Where customers wish to send
their own trucks for bulk loading, it is advisable to
give us three or four days advance notice, so that
we may have the material ready when the truck
arrives and avoid delay.

Care should also be taken that all trucks carry
sufficient tarpaulins to properly cover the stock.

PACKING will be done in the best possible manner,
and charged for at the cost of material used. Boxes
and bales delivered free of charge to all railway
stations. After goods are delivered to forwarder in
good condition our responsibility ceases.

GUARANTY. We give no warranty, expressed or
implied, as to quality, description, productiveness of
any nursery stock that we sell. The only guarantee
that we make is that our stock is alive at time of
shipment and true to name. No complaints will be
considered that are not made forthwith upon receipt
of order. Any stock ordered from this list found un-
true to name, will be cheerfully replaced at the first
favorable opportunity for planting, after it has been
found not as ordered.

— NOTICE —

All goods sold by us are sold f. o. b. point of ship-
ment, and while in transit are at purchaser's risk. We
feel it is our duty to emphasize the fact that we do
not insure the safe delivery of goods and that the title
of any goods sold by us and consigned to the pur-
chaser or consignee designated by purchaser passes
to the purchaser upon delivery by us to the carrier
at point of shipment.

And we desire to make it clear to the trade that the
Railroad Company's receipt relieves us of all respon-
sibility, and any claim for damage should be made
immediately to the agent at the point of delivery.
